Meet Ms. McClanahan

Hello

My name is Ms. McClanahan, and I am the school's Title I English Language Arts teacher. This means that I help the students at Green Forest to be better readers. I mainly teach small groups of children in my Reading Classroom. I am also involved with screening students for the reading disability of dyslexia. I love this position because I get to work with children of all grades and teach them what I love to do most - READ!

My Favorites

Meal: meatloaf, mashed potatoes, and green bean casserole

Drink: anything from Starbucks

Restaurant: Red Lobster

Music: classic country music

Book: Island of the Blue Dolphins by Scott O'Dell

TV Show: I Love Lucy

Season: autumn

Holidays: Christmas and Easter

Hobbies: reading, cooking, shopping, traveling, and playing with and taking pictures of my cats

My Background

I was born and raised in Cape Girardeau, Missouri. I received my B.S. degree in education from Southeast MO State University and my M.S. degree from the University of MO in Columbia. I have taught at this wonderful school for the past 27 years. I currently live in Salem and am raising two very adorable cats named Kirby and Katy.
